Pasco, an Elder in the Church of God: George Mason, Eugene Clayton Calhoun and Charles Ernest Gutteridge. In this service the Epistle was read by J. P. Hilburn, an Elder in the Church of God.

Immediately after the ordination of the Deacons whose names appear above, and assisted in the laying on of hands by J. P. Hilburn, J. R. Cason, A. E. Householder and R. H. Barnett, all of whom are Elders in the Church of God, I ordained each of the following traveling preachers to the office of an Elder in the Church of God, each one of them having been elected to that office by the same Annual Conference of the same Church, and each one having been presented by F. Pasco, who is named above: Ira Merrill Belt, James Atkins Hendry, Joseph Herman Daniel, Kinner Hollister, Shelby Augustus Wilson, Livingstone Munro.

At the same time J. J. Thompson, an Elder in the Methodist Episcopal Church, whom the Conference had received as a Local Preacher and whose orders as an Elder had been recognized, took upon him the ordination vows of our Church.

In this service A. E. Householder, the Elder named above, read the Gospel.

BOARD OF CHURCH EXTENSION

Miami, Fla., December 6, 1917.

We beg leave to submit the following report:

First. We have had before us this year 14 applications for aid. For parsonages, 1; churches, 13. The total amount asked for aggre-

gates \$4,236.00. Manifestly, since our collections are only about \$4,172.00, a slight increase over last year, and as only one-half of this sum is subject to conference disposal, it has been impossible for us to respond to all calls. But we have done the best we could with the money at our disposal.

The assessment made for 1918, on the Florida Conference by the General Board is \$6,600.00, the same as last year.

We have granted donations as follows:

To churches—

Seffner	\$ 150.00
Memorial, Key West	200.00
Wesley Memorial	100.00

We recommend that each Presiding Elder secure an adequate supply of tracts, leaflets and other literature from Dr. McMurtry to sow down his district with Church Extension information and that he also secure Church Extension charts for each pastor in his district and each pastor is requested to prepare and preach a sermon on church extension from the charts given him by the presiding elder and this sermon to be preached during the first quarter of the year.

We further recommend that articles be written on Church Extension to be published in the Florida Christian Advocate, by W. J. Carpenter, J. B. Mitchell, H. Dutill and W. F. Jones.

We further recommend that a Committee on District Represen-

tation be elected, and that the members of this committee attend their respective District Conferences and make a talk on Church Extension.

We nominate the following:

Tampa District, T. F. Alexander; Miami District, W. J. Carpenter; Tallahassee District, Geo. I. Davis; Orlando District, H. Dutill; Jacksonville District, T. L. Z. Barr; Bartow District, D. A. Cole; Gainesville District, L. W. Moore; Ocala District, W. F. Dunkle.

REPORT OF THE JOINT BOARD OF FINANCE

We beg leave to report as follows:

For the coming year our assessment for Conference Claimants is \$8,500.00, for Superannuate Endowment Fund \$1,500.00, and for Conference Expenses \$500.00; and these items are combined in one as Conference Claimants Assessment. The assessment for Bishops is \$1,980.00 and for General Conference expenses \$824.00.

We approve the assessments in the amounts as reported to us by the various Boards, which are as follows: For Sunday school work, \$2,300.00; for Orphanage, \$7,000.00; for Advocate, \$2,000.00; for Church Extension, \$6,600.00; and for Education, \$12,500.00.

This Board heartily concurs in the purpose and plan to raise a Southern College Special of \$10,000.00.

In obedience to your order of last year we employed an auditor to audit the books of the Conference Depository; and his work shows that \$52,365.63 were deposited by the various Districts and were credited by the said Depository to the Treasurers of our Boards. The Joint Board of Finance has instructed its executive committee to have the books of the Depository audited for the Conference year now ending.

We most earnestly urge the pastors, and all whose duty it is, to collect the Conference Claimants assessment in full and early in the year, at least by the time of the meeting of the District Conferences. There has been received only about \$6,200.00 on an assessment of \$8,500.00. When it is considered that we have more than fifty names on our list of claimants, it will readily be seen how pitifully small is the amount we are now able to grant to any one of these most worthy and needy beneficiaries.

Conference Claimants report blanks will be mailed during the year to pastors, who are hereby urged to give their attention to paragraph 142 of the Discipline, and, in faithful obedience to that law, to send in to the secretary of the Joint Board of Finance the required reports.

W. P. BUHRMAN, President.

BOARD OF EDUCATION

The Board of Education makes the following report to the Florida Annual Conference assembled in Miami, Fla., Dec. 10, 1917:

We are pleased to call your attention to the steady growth of our two connectional institutions, Emory University and Southern Methodist University. They have had during the scholastic year an enrollment of 1,477 students. Never before in the history of our Church have so many of our young ministers taken courses in Theology. Our two theological schools have had during the scholastic year an enrollment of 250 students.

Our Conference Institution, Southern College, has suffered some loss of patronage in common with all of our colleges, because so many of our young men have enlisted in the army and navy.

A number of our people are giving loyal support to Southern College, but we feel the need of a more hearty co-operation on the part of the preachers and the people. We urge that the educational assessment be paid as early in the year as possible.

We have fixed the second Sunday in March as Educational Day for our Sunday schools and Churches, and we urge our ministers to preach a sermon on that day on the subject of Education, with especial reference to Southern College.

We note with approval that many of our undergraduates are now taking their work through the Correspondence School. We endorse the work of this school and urge all of our undergraduates to avail themselves of the opportunity there offered to receive instruction and direction in their courses of study.

A Preacher's Institute properly conducted and attended by our

young ministers would, we believe, be of great value to them. We are ready to co-operate with the other Conference Boards in arranging for and conducting a Preacher's Institute this summer.

We recommend the following men for appointment as students in Emory University: Homer E. Owen, W. C. Rogers, G. E. Summers. We recommend Rev. R. H. Alderman for appointment as President of Southern College, and Rev. L. D. Lowe as Conference Secretary of Education.

We advise that the assessment on the Conference for Education remain the same as last year, \$12,500.00 to be apportioned as in table for districts.

This Board asks authority from the Conference to negotiate a loan of \$2,000.00 to relieve some pressing obligations on the funds of Southern College, with the understanding that the first money placed to our credit with the Conference Depository shall be applied on this loan.

Respectfully submitted,

W. A. COOPER, Chairman.

L. D. LOWE, Secretary.

REPORT BOARD TRUSTEES SOUTHERN COLLEGE

We have gone carefully into the affairs of the College and find them in good condition. We take pride in saying to the Conference that we have a Faculty and student body that our Church may well be proud of, and that all the work that could be done in a college is being thoroly done at Southern. Every dollar that the Church is contributing to the cause is being judicially expended in developing the young life of the Church and State. We are proud of the Faculty and personnel of the student body and realize that thro them we are touching every community of the Conference as represented at Southern.

While the financial conditions are not all that we might desire, yet we are not discouraged and face the future determined to continue the institution at the high standard now occupied. The recent sale of our stock in the development company has reduced our indebtedness to \$19,463.49. Fifteen thousand of this is a bonded debt and can be carried; the balance with a probable deficit this year of between \$6000 and \$7000, must be provided for. The stock of the development company was purchased by friends of the institution in order to provide means to meet pressing obligations and the entire amount with the exception of \$2,700, was applied on the debts of the institution. The majority of the stock had been donated to the college in the last few years. We appreciate the generosity of a few of our laymen who have made possible the great work being done by the college.

We give our hearty endorsement to the plan proposed by the presiding elders for the raising of sufficient funds to guarantee the successful continuation of the work of the college and each member of the

Board personally pledges the presiding elders his co-operation and support in the great work that they have undertaken.

Your Board has shown its appreciation of the tireless sacrifice and efficient work of the President of the College by unanimously electing him at this time for another year, and we ask the Conference the same confidence and co-operation that the Board so heartily extends to him.

We plead for a larger patronage and that the educational assessment be paid in full. We deplore the fact that the educational assessment is discriminated against in some instances. If our debts were out of the way, and the educational assessment paid in full, we could run the college without a deficit.

In conclusion, none of us can adequately estimate the value to our work in Florida of a college owned and controlled by the Church. It must, however, be evident to all our people who give the matter any thought, that Southern College cannot do the work that should be done unless the Church shall supply the means needed by the college. We make this appeal not only in view of the present need of the college, but especially in view of the fact that Southern College has heretofore been the training ground for some of the leaders of this Conference, and within the next few years, if we are to have leaders at all, we must train them at Southern College.

Brethren, we are sure that you realize the tremendous importance of the teaching life of the college in the work of the Church and the advancement of the kingdom of God. The college is yours,—think about it, pray about it, and work for it. We can and must give it the support needed at this time.

SUPPLEMENT

We, the Presiding Elders of the Florida Conference, after due and prayerful study of the interest of and the relation of Southern College to the work of our Church in this conference, deem it needful and wise that a special effort be put forth throughout the bounds of the Conference to raise a sum of money not less than Ten Thousand Dollars (\$10,000.00), apportioned to the several districts as follows:

Bartow District	\$ 1,400.00
Gainesville District	800.00
Jacksonville District	1,100.00
Miami District	1,100.00
Ocala District	1,400.00
Orlando District	1,400.00
Tallahassee District	1,000.00
Tampa District	2,000.00
Total.....	\$10,200.00

These amounts to be raised under the leadership of the Presiding Elders of the several districts not later than April 1, 1918, for the

purpose of paying pressing debts and meeting deficits on operating expenses of the College;

PROVIDED, That all collections from the campaign of the spring of 1917 collected after this Conference shall be credited on the pledge of the district where such payment is made.

We have brought this matter before the Joint Board of Finance, Board of Education, and the Board of Trustees of the College. They singly and collectively give their hearty endorsement to this plan and pledge their hearty co-operation.

This special effort is aimed and purposed to pay all outstanding indebtedness on the College except \$15,000.00 known as the bonded indebtedness of the College.

Signed, Presiding Elders.

COLLEGE TRUSTEES REPORT

Number Two

The Board of Trustees have accepted the resignation of two of its members, namely: R. H. Johnson and W. E. Martin, and hereby nominate G. I. Davis and John T. Taylor to fill these vacancies.

For the Board,

J. B. MITCHELL, Chairman.

L. W. MOORE, Secretary.

BOARD OF LAY ACTIVITIES

The object of the Laymen's Movement is to promote the several interests of the Church, seeking to enlist increased co-operation and a more active support by our laymen in the discharge of all church duties and obligations. While we are not making the progress, as a movement, so earnestly desired, we do realize that there has been a quickening in the Church in general interest, which is due in a great measure to the influences of our organized efforts. We are pleased to report continued success and enlarged usefulness with the every member canvass. We recommend this plan to all congregations, where same is not used.

We urge continued and more active support of Southern College, our Orphanage and our Conference organ. We earnestly recommend more liberal estimates with reference to ministerial support and a hearty co-operation in the collection of the various claims of the Church. We are pleased to note that the services of many laymen are being used, with success, in evangelistic work, and recommend that where they do volunteer, that they be invited to conduct religious services, when practicable, especially on charges having only monthly appointments.

We are glad to report having Dr. J. M. Moore, Missionary Secretary, with us, representing our General Secretary, Dr. W. B. Beauchamp, of Nashville, Tenn., who spoke to us encouragingly of the general work of the movement.

We hereby nominate A. W. McLaren, of Wellborn, for re-election as Conference Lay Leader.

Respectfully submitted,

A. W. McLERAN, Chairman.

B. D. HARTSFIELD, Secretary

EPWORTH LEAGUE BOARD

We note with pleasure the increased interest manifested in the Young People's work throughout the whole great Church of God. And especially do we with much gratification call attention to the increased interest shown in our own Church. The net gain of about 100 League chapters in 1916 and the Great Drive for 1917 which has the object in view to establish in every charge a League and in every League efficiency.

We note further that the State League Conference of last year perfected a plan to publish a periodical which will be the same size as the Florida Christian Advocate and contain four pages. It will be a monthly periodical and cost \$.50 for a year's subscription. Mrs. Little will edit it.

In view of the fact that June 17-20, 1918, is the date for our State Epworth League Conference we ask this Annual Conference to request the presiding elders to hold no district conference that will conflict with this conference since both the Epworth League Board and the presiding elders are especially needed at this League Conference.

We most heartily endorse the Junaluska Summer Conference. The greatest Epworth League Conference in the history of Lake Junaluska was held in the summer of 1917. The plans for 1918 are large and comprehensive. Every League chapter should put forth every effort possible to receive the physical, social, intellectual, and spiritual stimulus offered at our Epworth League Conference at Lake Junaluska.

S. I. HENDRIX, Secretary.

J. L. KILGORE, President.

BIBLE BOARD

The American Bible Society deserves special mention and attention just now, because, that, in addition to its regular great work of furnishing the Holy Scriptures in many languages for Home and Missionary operations, we are engaged in the world's greatest war with millions of soldiers to be supplied with the Word of God, of which number of soldiers there will be several millions of our own American boys. Its field of operation embraces almost every part of the world, employing more than two thousand colporters; and it has printing houses in nine great world centers. For this work it is largely dependent upon the contributions of the people.

While it is not a Methodist institution, it is nevertheless ours, for

from it we receive our due proportion of aid; and it is able to translate the Scriptures into the varied languages, and furnish them far more cheaply than we could do it. Mission fields, war zones, and every part of our own country are calling for Bibles. To accomplish this great work millions of dollars are sorely needed.

We regret to report that our own Conference is not only falling far short in its opportunities in this work, but is also failing to comply with our own disciplinary plan of taking a collection once a year in each congregation. For, of our own 148 charges last year, only 59 made contributions to the American Bible Society, leaving 89 that reported nothing. Those 59 charges paid only \$298.00. However, that is just twice the amount paid the previous year. \$395.53 was paid this year. We are glad to report this increase; but we need to recognize that we are still far short.

We recommend an assessment of a sum equal to 1 per cent of the pastor's salary to be placed on each charge by the presiding elders and the District Board of Stewards; and, that our pastors follow the disciplinary plan in the raising of said assessment by receiving a free-will offering from each congregation.

Signed,

J. C. JONES, Chairman.

F. L. CROWSON, Secretary.

ORPHANAGE BOARD

We, yours and Christ's servants, respectfully submit our annual report concerning the Conference Orphanage. The year just past has been marked with some degree of prosperity, and advancement, which is shown by the reports of the Treasurer and of the Superintendent included in this report.

Under the good management of Mrs. Brooks and Miss Cason progress in the direction of self-support has been made. The new property has given good returns to the farming work, having produced the following items: Tomatoes 3400 lbs; cabbage 1500 lbs; peas 200 lbs; beans 1000 lbs; Irish potatoes 65 bu; field corn 100 bu; carrots 50 bu; onions 25 bu; sweet potatoes 150 bu; sweet corn 75 bu; pumpkins 100 lbs; squash 100 lbs; celery 8 crates; watermelons 2000; peppers 15 crates; cucumbers 30 crates; eggplant 15 crates; lettuce 20 crates; rutabagas 500 lbs; turnip greens 1000 bunches; peanuts 5 bu; hay 3 tons; beets 200 lbs.

From this there were canned 602 cans of beans; 350 cans tomatoes; 100 cans beets; miscellaneous vegetables 75; preserves 85 qts; jelly 60 glasses; orange marmalade 198 qts; orange juice 36 qts; tomato chowchow 30 qts.

Children, Conditions, etc.—There were 42 children in the Orphanage at the beginning of the year, 6 have been admitted, 7 returned to guardian, 1 dismissed as past age, and one supporting herself, leaving

39 in the home at present. All but four of these are in school. The religious training as reported previously is consistently kept up.

The boys and girls are taught to work and are being trained to self-support. The health conditions have been unexcelled. Though during the epidemic of Trachoma this summer it was necessary to have fifteen of the children treated, which was successfully done and all are now well.

Support.—The people and pastors have loyally supported this work, and have paid up fairly well on the assessment; and many valuable donations of clothing and food stuff have been received.

For the maintenance of the work, we place the assessment for 1918 at \$7000.00.

And we most earnestly urge the payment in full, because, while our farm products very materially reduce our grocery bill as compared with quantity previously bought, the great increase in price of groceries, and the annual payment on the new place will require every dollar of the assessment.

FLORIDA CHRISTIAN ADVOCATE TRUSTEES

Despite a year of unusual difficulties the Advocate closes the year with a report comparing favorably with that of last year.

While final returns are not yet available, it is believed that the year will close without indebtedness. The circulation is somewhat larger than at this time last year.

This encouraging showing is due largely to the cordial co-operation of a number of the pastors, more general this year than heretofore. Whenever this co-operation becomes general, the Advocate will enter upon a period of sustained prosperity.

The printing arrangements entered into last year have yielded improved service, and our thanks are due to our printers, the Florida Methodist Publishing Company, for the prompt and careful service rendered.

We wish to express our appreciation of the faithful and efficient service rendered by Rev. J. Edgar Wilson in the editorial work and business management of the Florida Christian Advocate, as the organ of our Conference.

We urge all our pastors and members of our Church to greater loyalty to the Advocate and greater effort to increase its circulation.

We recommend Rev. J. Edgar Wilson as Editor and Publishing Agent and request his appointment by the Bishop.

We recommend that the Advocate assessment of \$2,000 be continued, to be paid, as heretofore, in cash or new subscriptions.

We again recommend that March be observed as "Advocate Month," and that during that month special effort be made to place the Advocate in all our homes.

S. W. LAWLER, President.

TRUSTEES PREACHERS' RELIEF FUND

Dear Brethren:

We rejoice to render you an account of our stewardship in behalf of our aged ministers, and are happy to report that progress is being made through the diligence of our agent, Rev. B. K. Thrower, as will be seen by the report of our Treasurer herewith submitted.

We respectfully request the re-appointment of the same Agent for the ensuing Conference year and would bespeak for him your sympathetic and hearty co-operation in this very important work.

The Trustees hope that in the near future a plan may be perfected whereby some form of Annuity Bonds may be issued in favor of those who desire in this way to be our donors.

SUNDAY SCHOOL BOARD

Dear Fathers and Brethren:

Your committee is glad to report a year of progress and prosperity in your work. The record for the year will show an increase in membership, districts more perfectly organized, Children's Day better observed than in our history, a successful Bible Class Federation at Sanford, and other evidences of prosperity. We call especial attention to the work done on the Jacksonville District, led by District Secretary J. H. Bunch.

It gives us pleasure to call your attention to the very successful Assembly and School of Methods held at Junaluska this summer, and we would urge our workers, both pastors and laymen, to make a supreme effort to attend same the coming year.

In forward movements your Board is planning this year for two or more Schools of Methods, better District Institutes, and if our plans mature, to put an elementary field worker in the field.

We request the re-appointment of Rev. A. H. Cole as Field Secretary for the coming year and commend him to you for co-operation and ask a deeper appreciation of his services and the importance of the great work he plans to do.

We recommend:

1. The organization of our schools according to the Standard of Efficiency.

2. The organization of all the schools into departments.
3. The organization of Teacher Training Classes.
4. The use of Graded Literature in the Beginner's Department, Primary and Junior, at once, and the other departments as soon as possible.
5. That each Church provide all necessary supplies and equipment for the Sunday schools as provided in the Discipline.

F. E. STEINMEYER, Chairman.

C. FRED BLACKBURN, Secretary.

COMMITTEE ON BOOKS AND PERIODICALS

We your Committee on Books and Periodicals beg to submit the following report:

We learn from the Publishing House representative, Bro. Smith, that the Christian Advocate, Quarterly Review and Epworth Era, have been published at a loss. The sale of books has been unusually good. The Sunday school literature orders have been larger than any year in the history of the Publishing House.

We would suggest that presiding elders and pastors put forth a strong effort to place the Christian Advocate into the homes of our Methodist people. We commend Dr. T. N. Ivey for his splendid management as editor of the Advocate, which is our Church Official Organ.

In this age of worldly-mindedness we would ask our pastors to urge our young people to buy and read such books as are put out by our Publishing House. We would call attention to some new books that our Publishing House is putting out.

The Florida Christian Advocate has never been more ably edited than now. Brother Wilson has wrought well. Laboring under many disadvantages, he has proven himself to be the master of the situation and is deserving of the confidence, love and co-operation of Florida Methodism. We trust that both the ministry and laity will do their best to put the Advocate into every Florida Methodist home this year. It now has a subscription list of above 2,700.

We note that our Conference only paid this year \$425.00 to the American Bible Society. Inasmuch as a great effort is being made to put a new Testament or Bible in the hand of every soldier boy who has already or shall be called into U. S. service, we, as a Conference, should do our *bit* for the American Bible Society to help make it possible for our soldier boys thus to be supplied.

EDW. K. DENTON, Chairman.

J. C. DIGGS, Secretary.

DISTRICT CONFERENCE RECORDS

All the District Conference Record Books were placed in our

hands and show painstaking care on the part of those who did the recording.

We heartily commend the loose-leaf forms used by the Bartow, Jacksonville and Ocala Districts which make it possible to record with typewriter and then securely bind for preservation. We recommend that eyelets be secured and pasted on for the safe keeping of the records in the loose-leaf forms used by the Tampa District.

A. C. McCALL, Chairman.

J. H. DANIEL, Secretary.

COMMITTEE ON SABBATH OBSERVANCE

God commanded man to observe the Sabbath because man needed the Sabbath. The human body requires the rest that the observing of the Sabbath day gives and the mind and the soul stand in essential need of the spiritual life and inspirations that come to it in proper observing the Sabbath day. What man's Sabbath is, so is his relation to God. The people that have no Sabbath, have no Christ. We believe that Sabbath desecration is doing a great deal to hinder our Zion in this age. We lament the fact that many of our citizens regard so lightly breaking the Sabbath State laws, and that many of our members do not regard God's command, "Remember the Sabbath day and keep it holy." We urge our people to see to it that our State laws are in force concerning Sunday sports, Sunday amusements and Sunday business.

Resolved, therefore, that our preachers proclaim from the pulpit the duty, the necessity, and benefits of observing the Sabbath, and also that our Sunday school teachers and all our Christian workers emphasize the importance of the right use of the Sabbath day, that our people may come to use the Sabbath in the way we shall bless and glorify God in the progress of his kingdom thereby.

J. W. AUSTIN, Chairman.

F. P. McCALL, Secretary.

COMMITTEE ON TEMPERANCE

Report Number One

WHEREAS—The National Prohibition amendment will come up for action in Congress on the 19th or 20th of this month,

Therefore be it resolved that we, the members of the Florida Conference of the M. E. Church, South, give our unqualified endorsement to said amendment and that a copy of this resolution be sent to each of the Congressmen and Senators from this State urging them to do all in their power to secure its passage.

JAS. T. MITCHELL, Chairman.

S. A. WILSON, Secretary.

Report Number Two

Brethren:

One year ago your temperance committee reported 23 states dry. Since then Utah, New Hampshire, Indiana and New Mexico have lined up for statewide prohibition. Ohio within one year gained 54,000 dry votes, coming within 1175 votes of winning, and will certainly vote dry next year, accompanied by Florida at the November election.

Thank God our National Capital, Washington City, is dry. Likewise Alaska and Porto Rico are dry and Hawaii will follow soon. Congress has passed the Anti-advertising and the bone dry bills for all dry states. All distilleries are now closed. Power to regulate or prohibit beer and wine is in the hands of the President. The United States Senate passed the National Constitutional Amendment measure with eight votes to spare. Dry sentiment grows everywhere.

When the Florida Legislature passed the statewide Submission Amendment measure we had but 43 dry counties, but we followed up the Legislative triumph with five straight county victories, Liberty, Waukulla, Flagler, St. Johns and Palm Beach, so that now we have forty-eight dry counties, with only six wet as follows: Nassau, Duval, Monroe, Hillsboro, Pinellas and Escambia.

At our next conference session we hope to report our beloved state in the dry column. To this end we are advised that the Anti-Saloon League of Florida will, on February tenth, open a statewide campaign with noted speakers such as National Secretaries, Dr. A. C. Bane, and Marion Swadener, Ex-Governor Patterson, Congressman Hobson, Hon. D. C. McMullen and others, reaching every city and village within the state.

At the same time the state will be thoroughly organized for the fight under the direction of the State Executive Committee, namely: D. C. McMullen, J. S. Blitch, N. C. Bryan, W. G. Tilghman, E. C. Stuart, and Rev. C. W. Crooke, Superintendent of the Anti-Saloon League of Florida. Also the usual strenuous campaign work will be carried on by the tireless Women's Christian Temperance Union, led by Miss Minnie E. Neal, State President.

We note with thankfulness the utmost harmony with which all prohibition work is being carried forward in our state, and we commend our two great prohibition societies, the Anti-Saloon League, and the Women's Christian Temperance Union and bespeak for them the full and hearty co-operation of all Florida Prohibitionists.

We recommend the appointment of Rev. C. W. Crooke as Superintendent of the Anti-Saloon League of Florida.

And in order thereto amend the Discipline, as follows:

Chapter II, Section 1, Paragraph 32, Answer 1, Line 2. After the words "one clerical member," add the following words: "For every 36 clerical members," so that the whole paragraph when thus amended will read: "The General Conference shall be composed of one clerical member for every thirty-six clerical members of each Annual Conference; and an equal number of lay members."

tion VI, and that the present Section V become Section VI, and that Section IV become Section V and that the new section hereinafter provided become Section IV. Let all of Section 1, Chapter XIX, beginning on page 215 and ending on page 217, be transferred to new Section IV, Chapter XII, and let the words "The Board of Trustees" be stricken out and let the words "Board of Conference Claimants" be inserted in their place. Then let Section II of Chapter XIX become Section I, and a paragraph be added as follows:

Par. All bequests, devises and donations to the superannuate cause of a connectional character should be made to the Board of Conference Claimants of the Methodist Episcopal Church, South, a corporation chartered by the State of Then let Section IV, Chapter XII, when amended, read as follows:

SECTION IV.

Of Support of Conference Claimants.

Par. The claim to an adequate support inheres in the gospel ministry and rightfully inures to the benefit of the Methodist preacher in the Methodist Episcopal Church, South, when he is admitted to membership in an annual conference. Such a claim is not invalidated by his being superannuated, and in his death passes to the dependent members of his family.

Par. Superannuated preachers, widows of deceased preachers (during their widowhood and while they remain members of the Methodist Episcopal Church, South), and their dependent minor children, are conference claimants and are beneficiaries of the moneys hereinafter provided.

Par. For the purpose of promoting the welfare of and to assist in providing an adequate support for the superannuated preachers, widows and dependent minor children of deceased itinerant preachers of the Methodist Episcopal Church, South, there shall be a general board, known as the Board of Conference Claimants, Methodist Episcopal Church, South, and shall be located in the city of, State of, and shall be composed of seven preachers and seven laymen and a Corresponding Secretary, ex-officio; all to be elected quadrennially by the General Conference on nomination of the Bishops; provided no two members of the Board shall be members of the same annual conference. They shall elect one of the Bishops chairman of the Board and shall elect a treasurer and bond him in sufficient amount to secure all funds under their control. The Board shall incorporate and secure a charter from the State of, and may adopt their own by-laws, rules and regulations, subject to the approval of the General Conference and the articles of Chapter XII, Section IV, of the Discipline. The Corresponding Secretary shall reside in the place where the Board is located.

Par. The Board shall meet at least annually, and at such other times as the Board or President and Corresponding Secretary shall appoint. Seven shall constitute a quorum at any annual meeting, and five at called meetings; provided that no business shall be acted upon at a called meeting which was not named in the call.

Par. The Corresponding Secretary shall be the chief executive officer of the Board. Under the provisions of the Discipline, the authority, direction and control of the Board, he shall conduct the correspondence and business and promote the general interest of the Board, by whom his salary shall be fixed and paid.

Par. The General Conference does hereby establish a per-

manent endowment fund, for the benefit of superannuated preachers and the widows and orphans of deceased preachers of the traveling connection, to be known as the Superannuate Endowment Fund of the Methodist Episcopal Church, South. This fund shall be maintained and enlarged in the manner and under the conditions herein prescribed.

Par. All existing funds that have been directed by donors, or that may hereafter be secured by wills or bequests of deceased persons, together with the funds which by any and all other means have been or may be secured, of a connectional character, for the benefit of superannuated and worn-out preachers and the widows and orphans of deceased preachers, be and are hereby appointed and set apart for the fund constituted and described in the preceding paragraph.

Par. The Board of Conference Claimants of the Methodist Episcopal Church, South, is hereby constituted custodian of this fund, and is charged with its conduct under the following conditions and instructions, namely: Moneys derived from any and all sources whatsoever shall be invested in good interest-bearing securities as soon as practicable after coming into the hands of the Board of Conference Claimants. Seventy-five per cent of the income of the fund shall be annually distributed for the relief of worn-out preachers and widows and orphans of deceased preachers, being paid over, on annuity basis as set forth in Articles 1, 2 and 3 of Par., Section IV, Chapter XII, to the Treasurers of the Joint Board of Finance of the several Annual Conferences, for distribution to the individual claimants, as directed by the Conference. The remaining twenty-five per cent shall be added annually to the body of the fund until said fund shall amount to the sum of \$5,000,000, after which the entire amount of net income shall be paid out to claimants, through the Treasurers of the Joint Boards of Finance, as above mentioned. The Board of Conference Claimants shall employ any other and further agencies for the increase of the fund, as may seem to them desirable, and shall appropriate the income in no other way than that provided above, and in payment of the necessary expenses incurred in the carrying out of the plan herein set forth.

Par. To further provide for the enlargement of this fund, and to defray expense incident thereto, an assessment shall be made on all Annual Conferences of a sum not less than one per cent of the amount paid for ministerial support. Collections on this assessment shall be reported to the Annual Conference by the preacher in charge, and paid to the Treasurer of the Joint Board of Finance, who shall forward same to the Treasurer of the Board of Conference Claimants at

Par. The basis for annuity distributions when made to the Conference claimants by the Board of Conference Claimants or the Annual Conferences, shall be made according to the following regulations:

Art. 1. The Annuity claim of any retired minister shall not be less than one-seventieth (1-70) of the average salary of the effective members of his Conference who are preachers in charge or presiding elders, multiplied by the number of years of his effective service, including the two years on trial.

Art. 2. The Annuity claim of a widow shall be determined by the number of years during which she was the wife of a preacher while he was in the effective relation as a member of an Annual Conference, and shall be three fourths of the annuity claim of a superannuated preacher for such term of years.

Art. 3. The term of a father's effective service shall determine

the annuity claim of his child, which shall be one-fifth of the claim of a superannuated preacher of such term.

Par. The claims of Conference claimants set forth in the preceding paragraph shall not be construed as a basis for legal action; nevertheless, such claims are reasonable and clearly within the law contemplating an adequate support, and the Board of Conference Claimants and the Annual Conferences are hereby authorized to employ any means consistent with the provisions of Section IV, Chapter XII, and the prerogatives of Annual Conferences, to pay such claims in full.

Par., Art. 1. Conference Anniversary.—Each Annual Conference shall hold one service during its session, to be known as Conference Claimants' Anniversary, for the promotion of the interest of Conference claimants.

Art. 2. Veteran Preachers' Day.—Each congregation shall observe annually one Sunday as Conference Claimants' Day. The third Sunday in May shall be so observed, unless another day is substituted by the Annual Conference, and shall be known as Veteran Preachers' Day.

Par. The Joint Boards of Finance of the several Annual Conferences may co-operate with the Board of Conference Claimants and the Corresponding Secretary, in their plans for the enlargement of the Superannuate Endowment Fund, and shall in each Conference promote and facilitate the collections for the fund under the general direction of the Board of Conference Claimants.

Par. Annual Conferences are authorized to establish and maintain investment funds, Preachers' Aid Societies and organizations and funds of similar character, under such names, plans, rules and regulations as they may determine, the income from which shall be applied for the support of Conference claimants. It is recommended that each Annual Conference provide an incorporated board to administer its permanent funds, or deposit them in trust with the Board of Conference Claimants, which shall invest same in good interest-bearing securities and pay interest annually to the Conference making such deposits.

Par. The Joint Board of Finance of each Annual Conference shall report to the Board of Conference Claimants annually the name, dates of admission on trial and into full connection, number of years in the traveling connection and date of superannuation of each superannuated preacher, including those superannuated at current session, and a similar report for each husband and father whose term of service forms a basis for the claim of a widow or orphan. Upon such reports shall appropriations be made for the following year.

Memoirs

Rev. John B. Ley

Rev. John B. Ley, the subject of this tribute, was born in Thomsville, Ga., Sept. 23rd, 1855; while his father, the late lamented, Rev. John C. Ley, than whom Florida never had a more useful and eminent minister, was pastor of the church there.

His father was assigned to ministerial service in Florida while our brother was an infant so that his whole life was spent in this State. He was converted while the dews of youth were still on his cheeks, so all his years were given to the Christ whom he loved and preached. He was licensed to preach in early manhood by the Quarterly Conference at Micanopy, presided over by Rev. Frederick Pasco who became a lifelong friend. At the age of 21, January 6th, 1877, he was received on trial in the Florida Conference at Monticello. After finishing his high school course in Florida he continued his studies at Warrenton, Ga., and West Point, New York. Soon after his entrance upon the ministry at 21 years of age, he married the lovely woman of his choice, who after 37 years of wedded bliss, with one son and four daughters, survives him in broken heartedness.

Our brother, because of his fine natural abilities and his acquired knowledge soon took his rightful place among his ministerial brethren and to the end of his useful life occupied the most responsible places. Brainy, cultivated and consecrated, he used his large resources in his loved employ. Whether on an humble mission or as a Presiding Elder, an Editor or a station preacher, in such important places as Ocala, Lakeland, First Church, Tampa, and Orlando, he was faithful and efficient. Better, however, than those things mentioned is the sublime fact that he was a manly man and an humble follower of the Lamb. He was every inch a man before he was a preacher and now that his ministry has ceased forever he is enjoying a glorified manhood in heaven. He felt that no professional service, no splendid achievements could make up for the lack of a genuine manhood. He was a reputable man. He stood four square among his fellows. His life was stainless, his character exalter, his life devoted to the uplift of manhood and the redemption of the world. In these things he leaves a rich heritage to his family and his church. His soul beat high with the holy passion that he might "finish his course with joy, and the ministry which he had received of the Lord Jesus, to testify the gospel of the Grace of God." This he did—he was permitted to work right up to the last and before there were any signs of physical or mental disabilities, with all his powers in full operation he ceased at once to work and lived forever. He realized from the beginning of his illness that he would not recover and said so to his wife. He then set his house in order and arranged all his business matters and waited calmly the coming of the end.

He had finished his third year at Orlando and was ready to go to Conference with the best report he had ever made, when stricken down with the fatal malady. For forty times his Conference had pronounced him blameless in his character and official administration. Forty times his brethren had answered: "There is nothing against him." When his name was called for the last time it was transferred from the roll of his Conference to the "General Assembly and Church of the First Born, whose names are written in heaven."

The funeral was most impressive. Not only his church but the

whole town was in mourning. The sweet music, the great throng, the floral offerings, beautiful and in great profusion, and the comforting words of the minister encouraged and blessed his stricken family and church, and the beautiful words of trust by the Quaker poet of the "Merrimac" were recalled.

"I sit beside the silent sea,
And 'wait the muffled oar,
No harm from him can come to me,
On ocean or on shore.

"I know not where his islands lift,
Their fronded palms in air;
I only know, I cannot drift,
Beyond his love and care."

His precious body was borne by devout men, officers of his church and laid away for the resurrection of the just in the beautiful cemetery at Orlando, and, as loving hands banked his grave high, with the sweetest and most fragrant flowers, the emblems of immortality, I felt "the memory of the just smells sweet and blossoms in the dust."

B. K. THROWER.

Rev. Junius S. Collier

Rev. Junius S. Collier was born in South Carolina in 1848, and passed to his heavenly reward March 26, 1917 from the home of Rev. L. W. Moore, Live Oak, Florida.

His early training was in the home of Christian parents, and his conversion and connection with the Church in childhood became easy and natural.

In young manhood he was licensed to preach and among the first charges that he served was Micanopy Circuit, as junior preacher. While on this charge he was happily married to Miss Clemantine McCollum, who preceded him to the spirit world by only a few years.

For forty-five years he answered the roll-call of the Florida Annual Conference, and until near the close of his life, was in the itinerant ranks, and on the adjournment of the Conference went forth with his brethren into active service.

Blameless in life and consecrated to the work of His Lord he gleaned well in the fields assigned him. Many of these, viewed from a human standpoint were hard and unpromising, but walking by faith and not by sight, he did not doubt the sufficiency of the presence and power of Christ.

Though called suddenly into a higher and more spiritual service, he was ready to go and be with his Lord.

His remains were shipped from Live Oak and placed in Woodland Cemetery, Tampa, to await the resurrection morn.

To mourn their loss are a son and married daughter and one brother who are walking in the foot-steps of their father and brother as he followed Christ.

Besides these, are his brethren of the Conference and a multitude of choice spirits, many of whom were led to Christ through his preaching.

May the mantle of our ascended brother fall upon our younger brethren of the Florida Conference that they may enter fully into his labors.

EDWARD F. LEY.

Rev. Manuel Dominguez

Rev. Manuel Dominguez was born and reared in the Island of Cuba. He came to Key West along with hundreds of his people to engage in the cigar industry, which had been transferred there from Havana during and after the great ten year's struggle for "Cuba libre."

The Cuban mission work of the Florida Conference had been undertaken by Rev. Vanduzer, who died in Key West of yellow fever in 1875. His last words were, "Don't give up the Cuban Mission." A few years after a young Cuban was converted there and licensed to preach under the inspiration and direction of Rev. Fulwood, the presiding elder of the district.

This young Cuban, whose name is Enrique Someillan, organized the first Cuban church in Florida, where the present church, La Trinidad, now stands. Manuel Delufeo, one of the brightest converts of that early church, after a time, became pastor of this Cuban church, and the next most promising convert in order was Manuel Dominguez. Bros. Someillan and Deulofeo went to Cuba as missionaries and Bro. Dominguez, for a number of years, served as pastor of La Trinidad Church on Duval and Angela streets, Key West. After this he was transferred to Cuba as a missionary and served there for about three years. Being enfeebled by sickness, he was superannuated about two years ago and during the early part of 1917 he was, for a time, confined to his bed and finally passed away peacefully in faith and hope, and was buried in the town of San Juan de los Yeros, Cuba, where he had formally served as pastor and after his superannuation made that place his home.

It is to be regretted that we have not in our possession more of the facts concerning his life, or the dates of the principal events of his life. Our Cuban brother was a sincere and devoted Christian, and a true Methodist preacher, and servant of Christ.

His portrait we have upon the wall of our San Marco church of Ybor City, and his memory we shall treasure in our hearts, and let us fervently pray that God may call into His kingdom and service many of our Cuban and Latin people during all the years to come.

J. D. LEWIS.

Rev. Thos. H. Sistrunk

Thos. H. Sistrunk was born near Perry, Ga., April 26, 1856, and died in White Springs, Fla., Oct. 17, 1919.

On Feb. 1, 1882 he was married to Mrs. Mary F. Shuler, of DeKalb county, Ga., who was his close companion and helper through the years of his married and ministerial life.

He was converted at Yalaha, Fla., under the preaching of Rev. Samuel Scott, when about thirty years old; and was licensed to preach Nov. 6, 1887. In January, 1890, he was received on trial into the Florida Conference and appointed to Mansfield Mission. He was ordained deacon by Bishop Granberry, January 10, 1892; and elder by Bishop Haygood, January 7, 1894.

Brother Sistrunk served many new and trying fields in the Florida Conference; and did his work well. He was a good organizer and pastor; preached acceptably; and by his earnestness and many sterling qualities won a high place in the confidence of his people and brethren. He served Mansfield, Lakeland, Pasco and Blanton Missions, and Stewart's Chapel, Hillsboro, Seffner and Micanopy Circuits, and Key West Memorial Chapel and Punta Gorda. His last charge

was White Springs Circuit; where, after a brief illness, he ceased at once to labor and to live, leaving the record of a good man and a faithful and effective itinerant preacher.

H. E. PARTRIDGE.

Rev. D. Lee Switzer

Information of the death of Rev. D. Lee Switzer did not reach the Committee on Memoirs until the convening of the Conference, hence it has been impossible to secure the facts that might be of interest to his brethren.

However, until a severe and permanent affliction came upon him, he was a true and loyal Methodist preacher, and won the love and confidence of all of his brethren. But for many years he had been a great sufferer and became incapacitated for the regular work. Through all of his suffering he possessed a spirit of complete resignation, and often showed his submission to the will of Him whose name he bore and commended. In his lucid moments he told of the presence and love of Christ and his faith unfeigned and unshaken.

D. Lee Switzer was a native of Florida, and entered the itinerancy about twenty years ago. He served humble stations with untiring zeal and heroic consecration under great trials and burdens. About six years ago he was forced, by a shattered nervous system, to retire from work; and was sent to the State Asylum for treatment. Most of his stay there he was "at himself" and seemed to retain his faith in Christ and consciousness of the divine presence and favor. News of his death just before conference, reached the Committee too late to give more than this imperfect sketch.

The end came while in a sanitarium where he had received special treatment for several years, and his pastor reports that there was no spiritual decline, and is assured that he is now dwelling where no shadows will again flit across his mental sky.

To the stricken family, the brethren of the Conference would give assurance of their love and sympathy.

EDWARD F. LEY.

Rev. John T. Waters

John T. Waters was born in Hart County, Ky., July 2, 1837, in an old-fashioned Methodist home, whose Christian influences gave bent to a long and faithful life. He was converted when nine years old; and joined the Methodist Church. As he grew up he took his place in its activities and was a useful layman. When about thirty years old he was licensed to preach; and not long afterwards was admitted on trial into the Louisville Conference, where he served for twenty years as pastor and presiding elder.

In 1856 he was married to Miss Mary J. Walton and to this happy union were given four children, one of whom, Rev. Bascom Waters of the Holston Conference, still survives him.

In 1891 he was transferred to Florida; and after two years service took the superannuate relation. Through his long life he was faithful to God and loyal to his Church; and ever firm in carrying out his convictions of duty. In his home he was kind and loving; and his ministerial brethren, he sincerely loved. One who spoke at his funeral said: "Here lies the remains of a man seventy-nine years old, upon whose life and character there never has been a stain."

As the end drew near, he called his preacher-son, in whose home he was, and said: "The way is clear; all is well," and fell asleep, Dec. 23, 1916.

H. E. PARTRIDGE.

Rev. Robert L. Honiker

Robt. L. Honiker was born in Savannah, Ga., and died in Atlanta, Oct. 16, 1917 at the age of sixty-eight or nine years. He was early converted and became a student in Emory College from which he graduated in 1870.

He married Miss Leila Dougherty of Macon, Ga., a lovely and cultured woman, whose gentle manners and consecrated spirit aided him greatly in his ministry..

December 1870 he entered the South Georgia Conference, and served various charges in this field until in January 1882 he was transferred to Florida and sent to First Charge, Key West. His ministry was spent in all sections of the Conference, including Lake City, Apalachicola, Sanford, Kissimmee, Bartow and Citra. While at Kissimmee he organized the first Epworth League in Florida; and was for several years, president of the Conference League.

Brother Honiker's talents as a preacher were above ordinary. With the soul of a poet he wielded the pen of a ready writer; and his command of words enabled him to clothe his often striking and beautiful thought in attractive verbiage. He was genial in his disposition, courteous in manners, tender in his friendships; and, though naturally shrinking, was pronounced and brave in his convictions of right. Those who knew him best, loved him most.

While serving Bartow station, his sweet wife left him for the better world. He was bereaved indeed and for years the cloud was on his life and heart for her loss.

As he grew older, the places of service grew harder, its burdens heavier, and its earthly rewards were scant. Yet he struggled on with unflinching faith and cheerful courage, looking to "the recompense of the reward." His last years were cheered by his marriage to Miss Miriam Harrison of Monticello, Oct. 7, 1908, who, with their little Leila and two grown sons by his first marriage survive him.

It was at the Conference December 1916 he was forced by his failing strength to ask for a place on the retired list. With sad heart he turned away from the whitening harvests, crying out for more laborers; for still there seemed to come to him the call

"Go labor on. . . .
And falter not; the prize you seek
Is near—a Kingdom and a crown."

And was not this in store for this tried man of God?

H. E. PARTRIDGE.

Benjamin F. Mason

B. F. Mason was born in Oglethorpe county, Georgia, January 1, 1856; and died at Gainesville, Florida, September 25, 1917.

He was soundly converted to God in 1876, and joined the Methodist Church at Waldo, Florida. He was married to Miss Gertrude Moye, January 10, 1870; and this union were given three children.

He was admitted on trial into the Florida Conference, January 1889, and during his itinerancy in Florida, served Orange Springs, Wildwood, Sparks Chapel, Fort White, Brooksville, Dade City, Plant City,

Tampa Heights, Arcadia, Alachua and Jasper. To secure the benefits of the Hot Springs water, he was transferred to the Little Rock Conference and stationed at one of the churches in Hot Springs. Afterwards transferred to White River Conference, where while at Salem, Ark., he suffered the loss of his leg through blood poison. In 1912 he came back to his old home conference as a superannuate; and was welcomed by his brethren; and dwelt among us in simple-hearted, cheerful piety until his translation to the Home Above.

Brother Mason was a man of large body, big soul and genial spirit. He was manly, sincere and cordial. Positive in his convictions, genuine in his religious experience, and active in his disposition, his service to the Church was marked by advancement and success; while his preaching and pastoral work gained for him many warm friends. Though in his later years he suffered much from physical ailments, "he was uniformly cheerful and happy, had an encouraging word for every one, and was when able ever ready to preach." The night he died he had an appointment to preach nearby; but heard another call to see "the King in his beauty" whose glorious salvation he loved to proclaim. The world is better for the lives of such men and heaven richer by their death.

H. E. PARTRIDGE.

Mrs. T. H. Capers

Mrs. T. H. Capers was the widow of the Rev. T. H. Capers, who was presiding elder of the Tallahassee District at the time of his death, which occurred at Monticello, Florida, in the year 1866.

Sister Capers resided at Crescent City, Fla., where she lived with her daughter, Mrs. M. S. Miller. She was about 80 years old, and was in a feeble state of health for some nine or ten years previous to her death, yet she was always faithful to the Church of which she was a member so many years, and, whenever possible, was in her place at its services. It was at the Fourth Quarterly Conference of the Crescent City charge, in 1910, that the writer first met her.

Sister Capers was an interesting talker, and could tell of many events in the history of the M. E. Church, South, both in Florida and Georgia, and also in the connection generally.

She was a friend of the Methodist preacher, and took an especial interest in the young men of the ministry, being ever ready to advise with and help them in any possible way.

Sister Capers was one of nature's gentle-women, a devoted mother in Israel, and a true Christian lady. Though almost blind and very feeble during the last years of her life, she never complained, but waited patiently for her Lord and Master whom she loved so well, who has now called her to be with Him forever.

A Great College With a Glorious Past and a Splendid Future

1. Wesleyan College has behind her a history of seventy-six years of successful work, and numbers among her graduates some 3,000 of the leaders of American women; many thousands more have spent some years in the College halls and love her as their Alma Mater.

2. Wesleyan has at present a large faculty of distinguished men and women in the Literary Departments and the first artists of the country in the Department of Music, Expression and Art. There is no better Conservatory of Music anywhere. Wesleyan also has an excellent Department of Household Arts and Sciences.

3. All the equipment of the institution for work and comfort is most excellent.

4. The ideal place for a college is in middle Georgia, where there is the finest climate in the world during the nine school months of the year. Macon is one of the most beautiful and healthful cities in America. Students need the outdoor life in the balmy and bracing climate that can be obtained at Wesleyan during the whole winter.

5. The rates are exceedingly low in consideration of the unusual advantages offered by the institution.
